Dietary note of Interest: We will be doing the next cart rotation for the 2nd Quarter (April- June) starting on 4/1/19. This cart rotation is set up to change quarterly so all residents will have the opportunity to be served 1st at various meals throughout the year. This will change for all lunch and supper times as to when your hall cart will go out. For instance if East Hall was 1st after the dining rooms they will be moved to 2nd after the dining rooms for this quarter and if a cart was last they will move to first for this quarter and so on. Also remember that the resident dining room gets served 1st for all meals. Hope this reminder helps!
