Oakview
MEDICAL CARE FACILITY

The Oakleaf

Happy July!

I do believe that we are finally starting to see that light at the end of the tunnel we have been anxiously waiting for. Mason County's community positivity rate is down to 2.1% as of June 15th and that is great news!!

We are starting the plans to move to open visitation but continue to be cautious and follow the Federal and State requirements. Please continue to be patient with us but we are moving in the right direction and will keep you all informed when the plans change but for now continue to make appointments to visit loved ones.

Screening in at the Front Door of Oakview will NOT go away and visitors will be expected to always screen in by taking their temperature and by honestly answering the screening questions.

Construction Plans:

We continue to move forward with our construction plans of an addition to the south wing of 4 private/isolation rooms. This construction will shut down the entire south wing starting on September 1, 2021. Plans are in the works to move the residents out of the south wing in the near future. The other part of the construction plan is to make an addition to the back of the building to attach the laundry.

Thanks again for all the understanding, kind words, and encouragement. We are looking forward to getting back to normal or our "new normal" operation very soon!

Every month, we will include one of the Resident Rights or Responsibilities as written in Oakview's "Residents Rights and Responsibilities" policy. We want our residents and their families to know these important Resident Rights and Responsibilities. If you should have any questions about any of these, please don't hesitate to ask.

C. (4) The right to be informed in advance, of the care to be furnished and the type of care giver or professional that will furnish care.

Dietary note of Interest:

We will be doing the next cart rotation for the 3rd Quarter (July-September) starting on 7/1/21. This cart rotation is set up to change quarterly so all residents will have the opportunity to be served 1st at various meals throughout the year. This will change for all lunch and supper times as to when your hall cart will go out. For instance if East Hall was 1st they will be moved to 2nd for this quarter and if a cart was last they will move to first for this quarter and so on. Dining Room is always served first. Hope this reminder helps!
