As a reminder, Oakview MCF has a contract with Harbor Hospice and Elara Caring Hospice to help provide end of life care if requested by the resident and/or family. Hospice assists with symptom management for comfort and quality of life. Hospice care does not take the place of the care provided by Oakview staff members but is in addition and is covered by Medicare/Medicaid. For additional information or to arrange an informational visit with a hospice provider, please see a member of the Social Services Department.

Winter has officially arrived and we just want to make sure everyone is staying warm. So please make sure residents have appropriate winter apparel such as jackets, hats and mittens to use for going outdoors for outings and appointments.
