

OAKLEAF

September 2026

Dear Residents, Families, and Friends,

It's hard to believe it has already been a year since our construction projects were completed!

Our back patio has been a wonderful space for resident activities and gatherings, and we look forward to seeing families enjoy it even more. We encourage you to take advantage of this beautiful area when visiting your loved one. Enjoy the comfortable benches and bench swing, and spend some time together outdoors.

We're also excited that a permanent canopy will soon be added to the backyard, providing shade and making the space even more comfortable to enjoy.

Our Activities Room and Resident Library have also become well-used spaces for activities, visiting, and socializing. Thank you for your continued support of Oakview. We love seeing these spaces being enjoyed by our residents and look forward to creating many more memories together!

Congratulations
Resident of the Month!

Margaret Marrison

Every month, we will include one of the Resident Rights or Responsibilities as written in Oakview's "Residents Rights and Responsibilities" policy. We want our residents and their families to know these important Resident Rights and Responsibilities. If you have any questions about any of these, please don't hesitate to ask.

G. Information and Communication.

(12) The facility must comply with the requirements specified in 42 CFR part 489, subpart I (Advance Directives).

i. These requirements include provisions to inform and provide written information to all adult residents concerning the right to accept or refuse medical or surgical treatment and, at the resident's option, formulate an advance directive.

ii. This includes a written description of the facility's policies to implement advance directives and applicable State law

iii. Facilities are permitted to contract with other entities to furnish this information but are still legally responsible for ensuring that the requirements of this section are met.

iv. If an adult individual is incapacitated at the time of admission and is unable to receive information or articulate whether or not he or she has executed an advance directive, the facility may give advance directive information to the individual's resident representative in accordance with State law

v. The facility is not relieved of its obligation to provide this information to the individual once he or she is able to receive such information. Follow-up procedures must be in place to provide the information to the individual directly at the appropriate time.

So many bubbles! Residents had a blast going through the car wash put on by the staff.

Grief Support and Education Fall/Winter 2026 Group Offerings

Corewell Health Hospice and Palliative Care is pleased to offer the following grief support groups. These groups are open to anyone who has lost a loved one in the past year and are facilitated by bereavement professionals.

Grieving is individual. Each person's grief, and even each loss we experience, is different. There are also similarities and patterns in how we respond to grief. Joining a group will allow you to learn, to share, to question, and to cry with others who are walking a similar path. Groups are most beneficial if you attend all sessions.

Requesting an absentee ballot

A voter must submit an absentee ballot application before an absentee ballot can be sent. Voters can request an absentee ballot up to 75 days before an election by submitting a completed absentee ballot application to their local clerk. Absentee ballots are available and distributed beginning 40 days before the election

Options to apply for an absentee ballot (chose tab)

- Online
- By mail
- At a clerk's office

Request an absentee ballot online

Voters can submit a completed absentee ballot application to their local clerk online. Once the ballot application has been processed, the absentee ballot will be mailed to the voter beginning 40 days before the election.

Requirements: The following voter information is required to apply online:

- Full name
- Michigan driver's license or ID number
- Date of birth
- Eye color
- Last four digits of the voters Social Security number
- Mailing address

Deadline: Online applications may be submitted until 5pm the Friday before Election Day. To ensure there is enough time to receive and return an absentee ballot, plan on submitting the absentee ballot application online at least 15 days before Election Day.

More information on applying for an absentee ballot

- How can I track the status of my application?
- When will I get my absentee ballot in the mail?
- What are my options for absentee voting if I have a disability?
- Can military and overseas Michigan voters request an absentee ballot online?
- Why did I receive an application for someone else in the mail?

Completing and returning an absentee ballot

- Absentee ballot envelopes will contain a ballot, a secrecy sleeve, and ballot marking instructions. Voters who make a mistake when filling out an absentee ballot must request a new ballot from their local clerk's office for the error to be corrected.
